

### High Security Luxury Safes

Our safes are designed and manufactured in Denver, Colorado to highest security standards. We believe that a safe can be a refined luxury creation just like the finest watches or the priceless valuables they protect.

DigitalSafe offers high security and luxurious amenities such as felt lined mahogany jewelry trays, motion sensitive lighting, hidden compartments, watch alcoves, necklace hooks, and more.

## SILVER WALL SAFE

15.5" h x 14.5" w x 6" d (50lb)

### Velvet lined interior

- 2 removable shelves
- 3 removable jewelry trays
- Fine watch and bracelet alcove
- 3 year warranty
- Interior lights

This unique luxury wall safe exemplifies the outstanding craftsmanship of the DSI wall safe line. Our classic SILVER model's plush velvet lined interior and convenient accessibility is an excellent choice for home or office. Accessibility and protection for passports, hand guns, cash and jewelry are possible with this DigitalSafe. The safes high security keypad allows for locking the safe by either digital key pad or by a quick swipe of your credit card.

## GOLD WALL SAFE

15.5" h x 14.5" w x 6" d (50lb)

### Mirror lined interior

- 2 mirrored removable shelves
- 3 removable jewelry trays
- Fine watch and jewelry alcove
- 4 year warranty
- Interior lights

Brilliant in design, our GOLD model wall safe's sleek mirrored internal walls and mirrored shelves provide your irreplaceable valuables a display case home while satisfying your security needs. Included are 3 unique felt lined, mahogany jewelry trays, and a watch and ring alcove. This safe lights up brilliantly with its interior lighting system reflecting against the mirrored interior. As with all of our safes it includes our high quality electric motor which locks and unlocks the safe with a smooth and quiet operation of the twin steel bolts.

## PLATINUM WALL SAFE

15.25" h x 14.5" w x 6" d (57lb)

### Hidden compartment

- Velvet lined interior
- 2 removable shelves
- 3 removable jewelry trays
- Fine watch and jewelry alcove
- 5 year warranty
- Interior lights

The one of a kind excellence found in the PLATINUM safe's design includes a hidden compartment, only available at DigitalSafe, that is easily accessible by rotating the bottom panel of the safe upwards. This unique patent pending design offers 20% more space to conceal, within the safe, particular valuables and even allows enough space for 2 handguns. The safe's high security keypad allows for locking by either digital key pad or by a quick swipe of your credit card.

Standing 30 inches tall, the DIAMOND boasts two times the storage capacity of our other wall safes. The Diamond wall safe tastefully combines the desired qualities of the Silver's velvet lining, the Gold's mirrored door and the Platinum's hidden compartment showing casing the best that DigitalSafe has to offer. This safe includes 5 shelves, 3 of which are over sized, two necklace hooks and a hanging file box that is perfect for your important document storage. The interior lights illuminate the interior simply by opening the safe, thus making the retrieval of your valuables effortless.

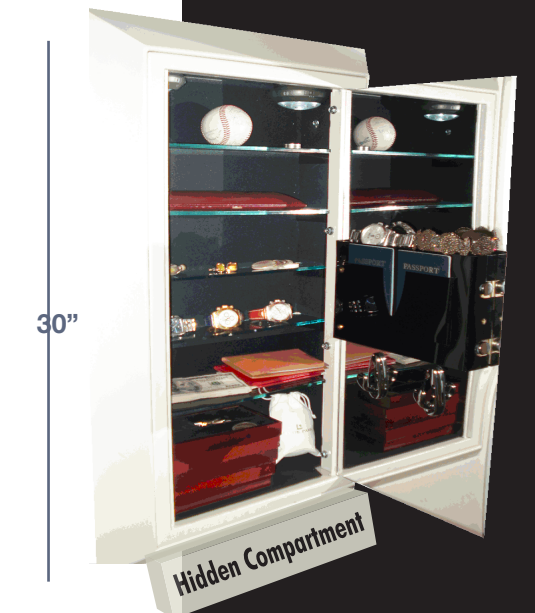

## DIAMOND WALL SAFE
